RE: Official Moratorium of the Shoshone-Paiute Tribes

The Shoshone-Paiute Tribes Business Council has considered adjusting of the moratorium to allow fishing and outdoor activities only at the Tribal Reservoirs, effective February 27, 2021:

- Mountain View Reservoir
- Sheep Creek Reservoir
- Billy Shaw & Tributaries

Opening of the reservoirs will require as noted, Social Distancing and Must wear a Mask. This is required on any Federal lands and the Duck Valley Indian Reservation.

In accordance with the CDC guidelines, the Shoshone-Paiute Tribes continue to take the public health precautionary measures to safeguard the local community. All businesses on the Duck Valley Indian Reservation require the mask order.

Please practice social distancing and respect the Shoshone-Paiute Tribes, Duck Valley Indian Reservation as guests of our community.

Stay safe!
